

A QUARTERLY PRACTICE NEWSLETTER

July 2023 - Sept 2023

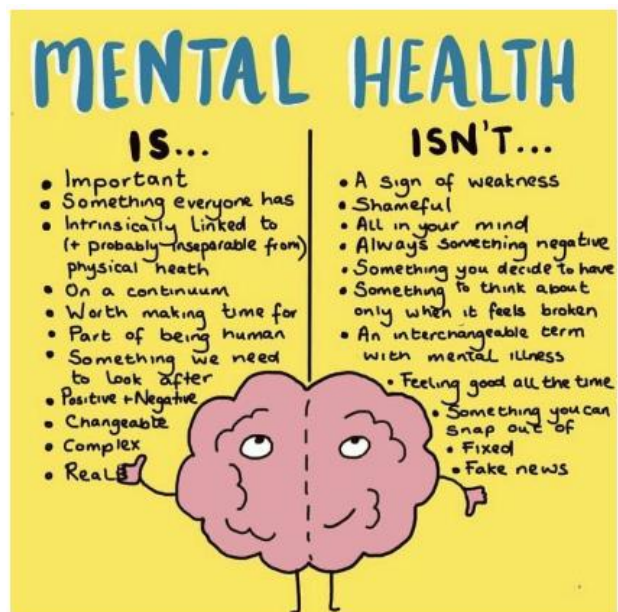

WHAT'S NEW IN THE PRACTICE

Patient Participation Group Meeting

In April we had our Patient Participation Group meeting where we discussed things such as access to the GP services, what's available in the community for our patients and recent works that could be carried out in the practice relating to improvement. The minutes from this meeting can be found on our Practice Website.

We are always looking for new patients to join our Patient group, please enquire at reception on how you can become a member of this group, or apply on the website via the form 'register with the PPG' (link below) we have quarterly meetings and our next meeting is scheduled for 21st July 2023 at 10:30 .

Here at Mosslands Medical Practice we support our patients with their mental health and help them understand what's available in Salford to help manage their situation.

- Patients can speak with a GP via telephone or face to face at a time which is convenient to them.
- We have connections to referral agencies such as Six Degrees (for talking therapies), bereavement services, Community Mental Health Therapy and more where you can speak with specialised consultants to help manage our patient's mental health.
- By scanning this link, it will take you to the Mental well being page for Salford where you are able to self-refer for an assessment in CBT therapy.

Monday - Friday 8 - 18:30

We have changed the way patients make appointments with us. Our new online form is available on our website.

Appointment Booking

The online forms provide our GP's with the information they need to Triage patient need and ensure that you get the most appropriate appointment. If you need help filling in the form our staff will do this with you.

Cancelling an appointment

If you are unable to keep an appointment, please notify our reception team 48 Hours prior to the appointment

You can order repeat prescriptions through the Patient access App or via the website. The QR code will take you to the online form.

PLEASE BE AWARE

Prescriptions can take up to 3 working days.

If you Do not attend an appointment relating to you medication, this can delay your request.

Prescription requests

We do not take repeat orders over the phone.
